AMEND Senate Bill No. 631

House Bill No. 480*

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 62-6-103, is amended by adding a new subsection thereto, as follows:

(c) Any roofing work performed or to be performed within this state having a value of twenty-five thousand dollars (\$25,000) or more shall be performed by a licensed roofing contractor who holds a current, valid roofing contractor's license in the specific roofing classification as issued by and in accordance with the rules and regulations established by the board. A roofing contractor shall have the roofing contractor's license prior to bidding upon or beginning any roofing work. For purposes of this subsection, "roofing" means the act of removing, installing, repairing or otherwise maintaining any covering to any at- or above-grade structure for the purpose of providing weather proof protection or ornamental enhancement to such structure.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
